

2003 New Dwelling Units by Census Block

Note: The number in parentheses indicate the number of census blocks contained in each category.

Note: "New Dwelling Units" equals the net increase or decrease derived from the number of new dwelling units minus the number of dwelling units demolished.

Note: Census Blocks with no change in the number of total dwelling units are shown in white.

Source: Data dervied from building permits issued from the Tippecanoe County Building Commission, Lafayette Board of Works, and West Lafayette Board of Works.

Prepared by: Area Plan Commission of Tippecanoe County, Indiana - January 8th, 2004
